Military Ministry

Yura Belonozhkin, his wife Masha and two boys live above the Arctic Circle where he ministers to men in a variety of settings. In the summer of 2004, Yura was commissioned by his church in St. Petersburg to go to the northernmost reaches of Russia – to the region near Murmansk. Without Jesus many of the men are (or will soon be) drug addicted or without hope.

Yura leads Bible study classes on many North Fleet vessels, and he organizes and mobilizes men's spiritual retreats. Yura sets the agenda, makes the logistical arrangements, lines up the speakers and teachers (often in partnership with Swedish and Norwegian pastors) and commits the event to prayer.

Yura uses a program for men he developed using materials by Robert Lewis, John Eldredge and others. Masha serves women in many churches in the Murmansk region. She is the women's ministry leader in Kola Christian Church Association. She also leads crafts classes for the unbelieving women, helping the churches reach them.
